Dear Editor,

I look forward to reading the articles in the paper from the various Church Pastors or Clergy in the area, of which I may not always agree; but I would like to share a brief one of my own for I think people truly may not understand the simplicity and greatness of what Jesus has accomplished and made available to all mankind.

The sinless Jesus shed His blood, suffering the penalty of death for all our sin. Jesus was buried and rose in victory, over sin and death. By believing in Jesus the hell bound sinner receives forgiveness, Jesus' righteousness, everlasting life and is indwelt by God; sealed as God's child and strengthened to love God and others like Jesus.

Read God's word, confess and turn from your sin, put your faith in Jesus' blood payment—victory over sin (His death, burial & resurrection). Give your life to Jesus. "Find Rest For Your Souls" (Mt. 11:29) & Heaven.

The Christian's good works or love for God and others glorifies God-not earn their salvation.
